3. Innovationsforum Telematik -B2C im Stückgutverkehr

Auch das 3. Innovationsforum Telematik bot unseren Besuchern ein breites Themenspektrum rund um die Logistik und aktuelle Trends in der mobilen Datenkommunikation. Neben dem Leitthema "B2C" im Stückgutverkehr, das im Rahmen einer hochkarätigen Podiumsdiskussion behandelt wurde, standen auch Neuerungen bei professionellen Smartphones und juristische Rahmenbedingungen für BYOD auf der Tagesordnung. Terminalemulation: LANDESK übernimmt Naurtech

Mit der Übernahme von Naurtech durch LANDESK gibt es jetzt nur noch einen großen Anbieter für Terminalemulationen. Interessant für unsere Kunden: In absehbarer Zeit werden wir als Wavelink Platin Partner auch Naurtech Terminal Emulationen anbieten können. Denn Wavelink gehört bereits seit 2012 zu LANDESK. [...]

Lastenfahrräder als Trend für die KEP-Branche?

Auf der IAA-Nutzfahrzeuge staunten die Besucher nicht schlecht, als dieses Jahr die ersten Lastenfahrräder auf der Messe ausgestellt wurden. Robust gebaut – und dank Elektromotor auch mit gut 200 Kilo Lastgewicht noch mobil – sind die Lastenfahrräder der klimaneutrale Lkw der Fahrradbranche. Gerade für die KEP-Branche könnten die Lastenräder eine echte Alternative für den Stadtverkehr sein [...]
